Events:

Shakespeare night: cancelled until next year.

Film Night: could be Saturday August 29th. SS to talk to Stewart J about logistics, BJ to do the paperwork, SSS to order the film. All of us need to work on the publicity.

Village BBQ: Sunday August 30th, followed by cricket match village vs CCC. Need someone to organize kids games and other side activities. BBQ details can be confirmed at the next meeting, need ideas of numbers.

Quiz Night: Friday November 13th, SM to check with Piers.

Bonfire Night: long discussion with varying opinions. GS needs to organise a meeting ASAP with Becky and the bonfire sub-committee. Main items which need resolving soon are where, when, responsibilities, insurance, advice from firework professionals.

Once the film night and bonfire night are confirmed we need to send out village email to get these dates in everyone's diaries with details to follow later.

Finances:

We got a £10K covid grant from MVDC, giving us about £13.5K in funds, (not including a further £10K approx. from the bonfire account, BJ to talk to Alan and Toby about this).

Plans for a gas urn for tea making in the pavilion and the provision of removable safety netting, funded by a combination of CSSC and Capel Parish Council. Work to commence this week.

Plans to replace the carpet tiles not needed as 12 new ones found in the back of the pavilion.

John to look into buying a bowling machine and net from CCC funds.

Roger Gundry agreed to pay for any carpentry work required to reorganise the back room in the pavilion for the storage of the safety net and bowling machine.

We need to apply for an ECB grant to cover the shortfall in paying for the grounds maintenance when there are no match fees to cover it. SM and JH to move the application forward.

Date of next meeting: Monday July 13th, Plough Inn garden at 5:30 pm.
